

Newfield Primary School

Science Overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Science in EYFS is taught through understanding of the world, by providing children with the opportunities and tools to explore their environment. Pupils are indirectly predicting, problem solving, observing, making decisions and thinking about the world around them through carefully planned activities. Science in EYFS is fundamentally based on pupils' curiosities and interests which encourages them to explore and develop their own scientific knowledge and understanding.					
Year 1	Animals, including Humans Seasonal Changes	Everyday Materials Seasonal Changes	Everyday Materials Seasonal Changes	Plants Seasonal Changes	Animals, including Humans Seasonal Changes	Animals, including Humans Seasonal Changes
Year 2	Everyday Materials	Animals, including Humans	Animals, including Humans	Plants	Living things and their Habitats	Living things and their Habitats
Year 3	Animals, including Humans	Light	Rocks	Plants	Forces and Magnets	Forces and Magnets
Year 4	States of Matter	Sound	Sound	Animals, including Humans	Electricity	Living things and their Habitats
Year 5	Earth and Space	Forces	Living things and their Habitats	Properties and changes of materials	Properties and changes of materials	Animals, including Humans
Year 6	Evolution	Inheritance	Light	Electricity	Animals, including Humans	Living things and their Habitats
